If you have been keeping up, you already know. With two amazingly successful races under our belt, we are just getting started and now ready to map out the rest of the NENSA Rollerski Series. The best way to keep track would be to download the [Series Poster](#) Or you could follow along on our [Events Calendar](#).

As of this week we have seven races planned. We hope to see you; save the date. Here is the schedule:

The Rollins Roll - Kearsarge Mt, NH - **August 22** - *classic hill climb*

Keys to the Castle - Mt. Van Hoevenberg - Lake Placid, NY - **September 18** - *freestyle sprint*

Free Fall - Ethan Allen Biathlon Range - Jericho, VT - **September 19** - *freestyle individual*

The Maine Event - Pineland Farms - New Gloucester, ME - **October 24** - *freestyle XCX sprint*

Mt. Greylock Hill Climb - Adams, MA - **November 6** - *classic hill climb*

NENSA Invitational - Trapp Family Lodge - Stowe, VT - **November 13** - *classic individual*

Make sure you follow our [Breaking News](#), Socials and [Results](#) ; which includes the [Series Club Challenge](#) for all participants. In addition to the race offerings, we're also planning to host Learn-to-Rollerski clinics in conjunction with these events where all participants can try NENSA's Swenor rollerski fleet. Stay tuned for clinic details and then come on out and see what all the excitement's about! Updates can be found at <http://www.NENSA.net>

About NENSA:

The New England Nordic Ski Association (NENSA) is the overarching umbrella organization for cross country skiing events in New England and the region. We are a member-supported service organization that promotes the culture of cross country skiing by creating opportunities for youth, athletes, coaches, officials and skiers of all levels and abilities.

Through the generous support of our loyal members and corporate sponsors, NENSA's staff hosts dozens of year-round educational programs, and clinics as well as competitive events. NENSA is focused on expanding cross country skiing and rollerskiing through robust youth & introductory programs, as well citizen/popular events and racing programs in every season. NENSA provides the support structure necessary to bring cross country skiers to their highest potential at local, regional, national and international events.
