NENSA Rollerski Series

New Gloucester, ME: July 9, 2021

What do you do in summer, when you love cross country skiing? You add tips to your poles, and strap on a set of Rollerskis. If you haven't tried, it is now the time. There are currently 11 nordic ski camps on [our schedule](#) but the purpose here is to get you out to one of our many events. If you have ever even thought about Rollerskiing you will find, and connect, with a community ready to get you rollin.

The NENSA Rollerski Series is now in its fourth year. The 2018 Series, the first, had nearly 600 participants from across the United States and Canada. In the 2019 series, top seeded athletes in each of the six races raced on matched Swenor Rollerskis. Last summer despite the myriad of challenges of quarantine some events were virtual, some were in-person. By early November eight New England athletes had been named to the national elite team. Lets take a quick look back. Our first was the AppGap Challenge: For the in-person event, we had a total of 68 skiers from seven local teams race the 7.25k Classic App Gap Invitational over the course of 5 days within their team units. [See the results here](#), and a [short video](#).

The Series kicks off this Sunday in Craftsbury with the **Lost Nation Roll** [EVENT LISTING](#) the registration will remain open until 8pm today. We will have a learn-to-rollerski technique clinic, a drop in Biathlon clinic, as well as a day of racing. The second event will be at the end of July with the [Goodtimes Roll](#) in Cumberland, Me in coordination with [NonStop Nordic](#): again another day of clinics and races. Then onto August 15th we move to Mt.Kersarge in New Hampshire with the Rollins Roll. And that is just the beginning. Check our [schedule](#), come see what all the hype is about. Lets get rolling!

If you have any questions please to reach out to me. preston@nensa.net

About NENSA: The New England Nordic Ski Association (NENSA) is the umbrella organization for Nordic skiing events in the region. We are a member supported service organization that promotes the culture of cross-country skiing by creating opportunities for athletes, coaches, and officials of all levels. NENSA provides year round support to bring cross-country skiers to their highest potential at regional, national and international events.
